

Exhibiting at Ajour 2017, booth no. 3336

Exhibiting at Ajour 2017, booth no. 3336

This week, Tommy & Naheed are ready to discuss optimal air dispersion and significant savings with air engineering technology when we're exhibiting at the annual Ajour expo in Odense. You will find them in booth 3336 on Thursday and Friday.

You can also read the latest Danish newsletter here.

The banner features a red vertical bar on the left with a white dashed line. A red ribbon-like shape contains the text "SMART air SOLUTIONS" in white. To the right is the FabricAir logo with the text "Tekstilkkanaler" below it. The main banner is black with "Maskinmestrenes Erhvervskonference" in small white text above "Ajour" in large red font, and "2017" in white. Below this, the text "Mød os på Ajour-messen, stand nr. 3336" is written in red. On the left, there are line drawings of various air duct components, and on the right, a large cylindrical duct with three circular openings.
